

Why be anywhere else?

## Casburn Park is a great success.

*The park is proving very popular with locals and visitors*

Since the grand re-opening of the park on 28 June, many children and families have been enjoying the new facilities. Birthday parties, family gatherings, play dates and just playing around are the best excuse to get out of the house and gather at Casburn Park.

We have been chatting with many of those using the facilities and joining in with our children and grand children, meeting other locals and many from neighbouring villages and towns as well as visitors from further away.

One excellent benefit is the growing connections between children from the surrounding smaller villages and rural areas, making new friends and arranging for further meet-ups at the park. "I'm from outside Sutton Forest, when are you coming back? Let's meet next Saturday," was a typical example.

One of the aims of the park upgrade was to build connections and assist with the reconstruction of the community after the fires that hit Wingello and many other areas in the 2019/2020 fires. In this aspect, we have a success.

The council have been managing a number of minor issues noticed by locals at the park and

quickly rectifying them. If you notice something is broken or an issue, report them using Snap Send Solve and it will be addressed pretty efficiently.

Cold Weather is stopping no-one from enjoying clearer days!

## Lots of Wingello Events

**The Men's Breakfast** continues being a great time to gather and chat with no particular agenda. First Saturday of every month at the Wingello Village Store is when we meet to have a general chat and solve the problems of the world - then do it all again next month.

## Wingello Hall AGM

The Wingello Mechanics Institute Hall annual AGM is coming up on Monday 12th August 2024, 7pm at the Wingello Hall.

The AGM agenda includes report from the committee, review of the committee governance and election of the committee for the next year.

Everyone is welcome to attend. We are looking for new committee members to help run and manage this historic location and help preserve its heritage as well as make it available to our community for local events, family functions and more.

If you would like to discuss how you can help on the committee, please contact the team on [wingellohall@gmail.com](mailto:wingellohall@gmail.com)

## Craft Afternoons

The Wingello Village Association sponsored informal craft afternoons and catch ups continue. Held on the first Saturday of the month in the meeting room of Wingello Hall 1 pm to 4 pm. Bring along whatever craft you are working on and enjoy the company of other crafters or just come for the catch up.

Cost is \$5 to help with cost of hiring the hall and afternoon tea.

## Council Administrator Village Visits

Mr Viv May, administrator of the Wingecarribee Shire Council, will be visiting Wingello on Monday 12th August from 6 to 7pm, Wingello Hall and will be available for one-to-one meetings. Residents can book an appointment with him to discuss any local government issue by using this link: <https://www.wsc.nsw.gov.au/Council/About-Council/Administrator#section-2>

If you would like a meeting but cannot find a suitable time at the link, please call 4868 0714 or email [administratoroffice@wsc.nsw.gov.au](mailto:administratoroffice@wsc.nsw.gov.au)

Mr May introduced these meeting at the start of his time at the Wingecarribee Shire Council and have proved very popular. It has been an excellent way to share local

knowledge and concerns directly with the administrator. The concerns are acted upon and appropriate efforts taken to resolve any issues.
